

REMARKS

Rejection Under 35 USC §103

Claims 1-33 are rejected under 35 USC §103 as being obvious over CN 1382631, as cited by Applicants. Applicants are enclosing a Declaration Under 37 CFR § 1.132 signed by inventors Ju Du, Zheng Li, Zhijian Da and Mingyuan He. The declaration establishes that inventive entities of the instant application and the subject matter described in CN 1382631 are the same. Accordingly, Applicants submit that CN 1382631 is not prior art under any section of 35 USC §102. Applicants believe that the rejection has been overcome and request its withdrawal.

Conclusion

Applicants believe that all claims are now in condition for allowance and request a Notice of Allowance. Should the Examiner believe that a telephone conference would expedite the prosecution of this application, the undersigned can be reached at the telephone number set out below.

Respectfully submitted,
Weaver Austin Villeneuve & Sampson LLP
